

Lake Jackson Soccer Club Scholarship Application

Instructions and Information

1. LJSC offers full and partial financial assistance to youth soccer players in need of financial assistance in order to play on its recreation teams. Applications must include proof of need, preferably with a copy of the first two pages of the previous year's federal tax return. Requests for fee assistance are considered on a per season basis for Registration Fees only. No assistance is offered for other expenses including possible tournament fees and travel expenses and players/families are expected to fund any other associated equipment costs (required shin guards, cleats, ball, etc.).
2. The amount of aid and number of players receiving aid is dependent upon the money available in the LJSC Scholarship Fund and is not guaranteed. Scholarship funding is obtained from many sources, including: contributions from LJSC families, grant applications, fundraising, and LJSC operations. Players/families receiving financial assistance are expected to support LJSC's programming by volunteering their time and talent to LJSC and team activities. Volunteer participation will be considered in granting fee assistance.
3. Please provide all requested information. Incomplete applications may be returned and may be given no consideration for the current season. All information provided is solely for the purpose of determining fee assistance grants and will be held in confidence by those designated by the LJSC Scholarship Committee to handle the fee assistance program.
4. Lake Jackson Soccer Club (LJSC) offers Registration Fee assistance only. No application will be considered if the player has unpaid fees from a prior season, or has outstanding fees to another youth soccer club. If necessary, LJSC will work with any player/family to assure fees can be paid through a fee payment plan at the start of any season. Failure to pay fees may result in withholding of player cards. All fees must be paid in full before consideration for fee assistance for the following season. If LJSC learns that any player has outstanding fees to another youth soccer club, LJSC reserves the right to reject any fee assistance application until it is established that all outstanding fees to other clubs have been paid.
5. Please check the LJSC website for application deadlines. LJSC may reject any application received after the deadline.
6. If there are other factors that you believe the LJSC Scholarship Committee should take into consideration in determining the level of scholarship award, please explain them on a separate sheet of paper and attach it to the signed application form.
