

# Our Community is Truly Blessed

## Lake Jackson Soccer Club Thanks You

The Lake Jackson Soccer Club asked for your help and you turned out in great numbers for the A2 soccer field renovation project at MacLean Park. There were generous donations of materials, equipment, and labor by local businesses. Over 200 volunteers showed up at our sod planting work days and about half of the volunteers were kids. We planted 252 pallets of sod in about 8 hours split between 2 weekends. This project was an outstanding accomplishment and we just want to say THANK YOU!!! Our community is truly blessed...not only because of the many generous donations for this project, but also because we have so many players, parents, and friends in our soccer community who are willing to step up. Thank you for the important roles you all played in constructing and planting sod for this soccer field. Every time we walk onto the A2 field we will feel a sense of pride in how we built this soccer field together.

### Construction Project Donations (Key Contacts):

- Sorrel Construction** (Cliff Vandergriff, James Dye, and others) - free elevation survey and engineering design, substantially discounted dirt and dirt work
- Brazoria County** (Dude Payne, Kenny Hill, and many others) - free dirt transportation from the pit to the soccer field
- Tracy Hester at Nationwide Insurance** - free, select fill dirt
- Champion Turf Farms** (Mike Brown; Bay City) - substantially discounted improved common Bermuda sod; turf grass expertise
- Swagelok Texas Mid Coast** (Kevin Moriarty) - capital donation to pay for improved common Bermuda sod
- Caring Senior Service** (Mike Walls) - capital donation
- Collin's Instruments** (Tu Dang) - Design drawings for roller
- ICS** (Tod Tracy) - Materials for roller
- Coastal Machine and Mechanical** - Fabrication of roller
- BASF** - fertilizer donation
- City of Lake Jackson** (Jeremy Bubnick, Bryce Carleton, Bill Yenne, Modesto Mundo, Parks Board) - project approvals, grant for soccer goals

### Sod Planting Work Day Donations:

- Devin Dotson** - Survey and layout for sod locations
- HEB** - bottled water, sports drinks, and chips
- Beef O'Bradys** - chicken wings
- Altus Emergency Center** - bottled water
- Ward Chiropractic** - bottled water
- Tommy's Catering** - breakfast tacos
- Wurst Haus** - sandwich trays
- Sonic** - burgers
- Lowe's** - sod cutting tools
- Mustang Cat Rentals** - forklift
- United Rentals** - forklift
- Brazos M&E** - forklift and transportation
- City of Lake Jackson** (Daniel Alcoer, Erle Lindsey, Bryce Carleton) - forklift, forklift drivers, cleanup assistance, water truck, irrigation repairs
- Performance Party Rents** - discounts on volunteer tents, tables, and chairs
- John Leach III** - enabled a volunteer in a wheelchair to participate in the sod planting workday
- Lake Jackson Soccer Club** Board Members and Core Volunteers
- Brazoria Soccer League** Board Members and Core Volunteers
- Over 200 volunteers** (soccer players, coaches, parents, siblings, friends, and family)

**Plus Over 200  
Volunteers**

This season the youngest age group (U6) in the Lake Jackson Soccer Club moved from Dunbar Park to the Hospital Field complex.

This move consolidated field space from 3 locations to 2 locations and makes it much easier for parents to transport and watch multiple kids among multiple fields. This move was made possible by a generous grant from **The Dow Chemical Company** for the purchase of 12 new portable goals for this age group.

The health of the athletic field turf has improved this year due to fertilizer that was applied as per agronomist recommendations. This was made possible by a generous donation of 9 pallets of fertilizer from **BASF**.
